

**Assets School**
Learning that transforms lives

August 2, 2017

Dear High School Parents/Guardians,

The entire high school has the opportunity to participate in a bonding activity at Ice Palace on **Friday, August 25, 2017**. Students and faculty will leave Assets at 8:30 AM and return by 12:30 PM. Transportation to and from the campus will be provided by chartered bus.

Students must wear covered shoes and appropriate school coordinated/First Friday attire. Students must have socks with them and their own money if they wish to purchase snacks at Ice Palace. They will eat lunch at school upon their return to campus.

School coordinated/First Friday attire:

- Jeans/pants must be appropriate to body proportion, and not skin-tight or baggy; not be tattered, torn, or marked; and not reveal skin and/or underwear when moving, standing, sitting, or bending.
- Crew neck T-shirts/class T-shirts/blouses may be worn. Shirts and tees must be tasteful and not altered; be free of offensive or derogatory wording, logo, designs or illustrations; not promote illicit or illegal products and/or activities; must fit appropriate to body proportions and not be oversized or too tight; and must not reveal skin, cleavage, or underwear.

It is suggested that students also bring a jacket or sweatshirt with them because of the cold temperature at Ice Palace.

Signed permission is due no later than **Wednesday, August 23, 2017** to your student's homeroom advisory teacher. This is an all high school field trip.

Thank you.

Sincerely,

Suzy Travis
Principal
