GRAND OPENING: Harry & Jeanette Weinberg K-4 Village

On Tuesday, August 14, we celebrated the Grand Opening & Blessing of our new Harry & Jeanette Weinberg K-4 Village. Mahalo to all of our supporters and donors who were able to join us on this momentous occasion! If you missed it, check out the [Facebook Live video](#).

[KITV Island News](#) highlighted the event at 5pm on August 14, and an ad ran on Friday, August 17, in the [Honolulu Star-Advertiser](#) thanking all K-4 Village donors. To see additional pictures from the event, please check out our Facebook, Instagram and Twitter feeds.

Our K-8 Principal, Ryan Masa, also wrote about the grand opening and what it means for Assets School and our students in his August 17 [blog post](#).

And we're already looking forward toward a new library, learning commons, fifth-eighth grade classrooms, a performing arts center, and a multi-purpose administration building on the lower campus. In Alewa Heights, the high school will see new classrooms, rejuvenated spaces, and upgrades as well.

FIRST DAY OF SCHOOL

The faculty and staff were thrilled to welcome our #greatminds back for the 2018-19 school year on August 15. Check out the excitement of our students!
